

Welcome to The Second ELEHIC 2021

The Economics, Law, Education and Humanities International Conference (ELEHIC) 2021

On behalf of organizing committee, I would like to invite researchers, professional, and post graduates students in the fields of economic, law, education and humanities to the second ELEHIC Conference 2021. The upcoming conference theme is "Social and Cultural Sciences on Sustainable Development for World Challenge in Digital Era".

The Economics, Law, Education and Humanities International Conference (ELEHIC) 2021 provided a forum to address the issues on Economic, Law, Education, and Humanities that researchers, practitioners, and academics face in the changing world. The first international conference was organized by the four faculties at Bung Hatta University, namely the Faculty of Economics, Faculty of Law, Faculty of Education, and Faculty of Humanities.
