Welcome to the Profile of Bung Hatta University.

This Profile is a factual description of identity, achievements, and campus facilities owned by Bung Hatta University in realizing the vision of becoming an excellent and dignified university towards a world-class university.

Nowadays there are many universities opening that offer various courses and study programs. Choosing the right university is not as simple one. While making your choice you should definitely give preference to a university that has reputable biography, fundamental education, and constantly improves its educational system. The right choice is extremely crucial point for your future.

One of such reputable university is Bung Hatta University. Bung Hatta University is the right choice for your future as it is one of the best private university in LLDIKTI Region X (West Sumatra, Riau, Jambi). It has obtained The Institution Accreditation B by The Ministry of Research and Technology of the Republic Indonesia. This is based on the results of classifying of universities by the Ministry of Research and Technology of the Republic of Indonesia which was announced in 2018.

The education process at Bung Hatta University does not only provide knowledge and skills but also add values to their students through the improvement of English proficiency, Information Technology, and apply Bung Hattaism. These values should become the foundation of academic life and apply in their daily life at Bung Hatta University. We will continue to increase the cooperation between national and international universities, student's and lecturer's mobility, joint research, and community service for the local people. These activities contributes for students, teaching staffs, and local communities in Indonesia particularly in West Sumatera.

P A D A N G

THE LAND OF MINANGKABAU

Padang is located in Sumatra Island and it is the capital city of West Sumatra Province, Indonesia. It is the largest city in West Sumatra. This city also become the center of the economy and has the highest per capita income in West Sumatra.

The largest ethnic group in Padang city is the Minangkabau (90.1%). Minangkabau is one of the main ethnic groups of the Indonesian people, which are considered as the fourth biggest major ethnic group of Indonesia. The Minangkabau people called their land Alam Minangkabau (Minangkabau world).

The Minangkabau are very proud of their traditions because they have a unique culture, Matrilineal society. The Minangkabau society is considered as one of the largest matrilineal societies in the world.

T H E M O S T D E L I C I O U S

A N D G R E A T P A D A N G C U I S I N E

Minangkabau people are known with their Minangkabau cuisine 'Masakan Padang' or Padang cuisine. Padang restaurants can be found throughout the country and are famous for their spicy food. If you like to eat the spicy food, Padang Cuisine is one of the best choices for the spicy food lovers. You can taste the famous spicy Nasi Padang or Nasi Ramas Padang. The most interesting one that you can see if you eat in Padang restaurant is the food served in the unique way. The waiters with their skills carry many plates with all kinds of delicious dishes on both their arms. These dishes will then be spread out on the table for consumers to pick and choose.

The most famous and wanted dishes of Padang cuisine are: Rendang, spicy curried beef cooked until the sauce is dry; Dendeng Batokok, thinly sliced dried meat ; Ayam pop, deep-fried chicken; Sate Padang, beef satay in curry sauce, served with rice cake; and many more dishes that will serve your appetite.

ABOUT BUNG HATTA UNIVERSITY

MOHAMMAD HATTA
1902 - 1980

"I'd volunteer to go to prison, as long as there are books. Because with books, I'm free"

Bung Hatta University was established on April 20, 1981 and is 37 years old now. The name of "BUNG HATTA" was originally taken from an Indonesian Politician, Muhammad Hatta.

Muhammad Hatta was born on August 12, 1902, in Bukittinggi, West Sumatera, Indonesia. He is a leader of the Indonesian independence movement who was Prime Minister (1948 - 1950) and Vice President (1950 - 1956) of Indonesia. Muhammad Hatta is a great example of patriot in Indonesia. Muhammad Hatta contributes in bringing out fascinating ideas to help fight of colonialism in Indonesia. He is a nationalist. As a real Patriot, he also engaged in intellectual pursuits. He was regularly invited to deliver lecture in universities. He promoted the topics about economy and cooperatives. By giving lecturer in those topics he would become promotor of the idea. He is one of the Indonesia's leading economist and known as Bapak Koperasi "the father of Indonesian cooperative movements".

Muhammad Hatta is better known by the name of Bung Hatta. The word "bung" means 'friend' used to address a male person, or it is the old form of the word "tuan", "mas", or "bang". Therefore, the name of this university is using the familiar name of Muhammad Hatta, Bung Hatta .

Bearing a great name of Indonesian Patriot, Bung Hatta University, continues the spirit of Muhammad Hatta to make Indonesian became the intellectual, discipline, and honesty and have high integrity. These principles have been passed down and are passed on the future. With seven faculties (24 study

ABOUT BUNG HATTA UNIVERSITY

programs), one master program (six study programs), and one vocational program, Bung Hatta University always strengthen and develop the excellent academic atmosphere to create the high competency of the students in their own field. By having the academic excellent, students are able to start their journey in preparing their future career success.

With more than 10,500 students, Bung Hatta University has 310 Full time education staffs (202 Magisters, 104 doctors and 4 professors), and 130 Administrative & Supporting Staffs. This profile obtains the latest information about staff's and students' achievement and the development of Faculties, Study Programs, and Postgraduate Program. Bung Hatta University is always working over in improving and increasing the quality and quantity of the research that can provide benefits for the welfare of the community.
